Livestock guarantees

1.1 Sexing of livestock is not guaranteed under any circumstance, our professional team have many years' experience and will be able to provide you with educated assistance as to determining the gender but in purchasing any livestock you are hereby bound by the terms of purchasing all live animals as genderless.

1.2 Accuracy of identification, whilst the upmost care and diligence will be made to ensure all livestock is accurately represented in terms of species, subspecies, locality or morph the responsibility for verifying these factors prior to purchase lies solely with you the purchaser. In respect to these individual aspects all livestock is sold as seen. This does not affect your statutory rights to appropriate advertisement of goods as livestock is generally regarded to fall outside this remit

Health guarantees

1.2.2 Livestock collected in person from the retail store is guaranteed to be healthy and is covered under a 7 day health guarantee if all factors in clause 1.2.4 are met in a satisfactory manner.

1.2.3 Livestock collected in person and housed in one of our recommended starter kits or complete kits will be subject to an extended 28 day health guarantee if all factors in clause 1.2.4 are met in a satisfactory manner.

1.2.4 In order for livestock guarantees to be valid the following terms must be met;

- (1) Repxotics must be notified of any issues within 24hrs of receipt of livestock or issue occurring
- (2) Livestock must be transported in an appropriate manner for the species protecting it from extremes of temperature and other environmental factors.
- (3) Livestock must be housed in its permanent home in a swift manner without delay or detour.
- (4) Livestock must be housed in the enclosure and within the social parameters agreed at the time of sale, mixing livestock or changing enclosures immediately invalidates any livestock health guarantee.
- (5) We expressly exclude any liability for the presence of other organisms (internal or external) or the consequences of any such existence. Such existence is an inherent risk of any live or product.
- (6) Livestock guarantees are deemed null and void in any instance whereby user error by the new owner can be found to have taken place such as not providing appropriate ongoing levels of care or causing adverse stress reactions.
